MARINES ARE NOT ADMITTED

BASEBALL LEAGUE UNANIMOUSLY REJECTS THEIR PROPOSITION.

The Honolulu Baseball League yesterday unanimously decided not to admit the Marine baseball team, adopting a report of the special committee appointed on the subject. The Marines' proposition was not thought to be a fair one financially, and the committee reported on it as follows:

"To the Chairman and members of the Honolulu Baseball League.

"Gentlemen: At the meeting held to consider the application of the Marine baseball team, held at 5 p. m., February 16, 1904, at the Elks' Hall, were present the managers of the five teams together with Lieut. Harlee, representative of the Marine baseball team.

"In the meeting Lieut. Harlee advanced the proposition as follows: 'The Marine baseball team be allowed to enter the League on equal footing with the other teams.'

"In discussion, the question of what interest the other teams already had in the grounds was met by another proposition, viz: That his team be allowed twelve months to pay in the amount already earned by the other teams, together with interest at eight per cent, and in case of failure to do so they were to forfeit their interest in the seventy per cent to be earned this year, which your committee thinks they are not in any way entitled to.

"We met this proposition with a counter proposition to the effect that your committee would accept the application in accordance with their original proposition which was that we guarantee them their actual expenses as they were not looking forward to entering the League as a money-making institution. Your committee went so far as to offer them the sum of three hundred dollars (\$300), which was not favored by them.

"Your committee therefore reports against the admission of the Marine baseball team to the Honolulu Baseball League. T. E. Richardson, Elks' B. B. C.; J. G. Carter, Jr., P. A. C.; P. Gleason, H. A. C.; J. H. Wise, Kams; H. Gordon Lihisen, M. I. A. C."
